

## Central Europe Soccer Tour

Visit two countries on the same trip and play international soccer in one of the most beautiful cities in the world!

We start of our tour in Munich, the historic capital of Bavaria and home to one of the most famous clubs in the world, FC Bayern Munich. After getting to know the beautiful city and playing a friendly match against a German team, we continue our adventure toward Prague, one of the most popular tourist destinations in Europe.

As the 'City of a Thousand Spires', Prague is one of Europe's architectural gems and has been an important UNESCO World Heritage Site which attracts more and more tourists each year. The city's rich cultural scene offers a wide range of activities for all types of tourists, so we're sure you're gonna love the Czech capital!
